

Grade 9 & 10

Distance Learning Module 8: Week of: 5/25/2020-5/29/2020

Strings Orchestra

Targeted Goals from Stage 1: Desired Results

Students continue to build their skills on their chosen instrument as well as their appreciation for music.

Content Knowledge: Listening, Responding, and Reacting to Music

Vocabulary: Articulations, Dynamics, Style, Character, Melody, Rhythm, Tempo

Skills: Music Analyzation, Reading Music

Expectation: Students should spend at least 15-20 minutes playing their instruments. Although the students need to practice to build their skills on their instrument, practicing an instrument in between their work in their other classes, keeps the brain active, allowing for better absorption and understanding of new material.
