Nite in Hand Celebration

Dear Parents of the Class of 2024,

As we plan for Nite in Hand 2024, we are reaching out to parents of Seniors at Daniel Hand High School to gather support for this wonderful gift to our children and the Madison community that is Nite In Hand!

This year's NIH will be Thursday, June 13th. The event is overnight and will run from 10 pm-5 am. It is a fun, safe, substance-free night of celebration for our graduating Seniors who look forward to the event with great anticipation. Students are chaperoned by parents and community volunteers, and are required to stay the entire designated time of the event and leave collectively. ***To emphasize the safety of this event, we encourage you to drop off and pick up your graduate.***

We are working very hard to make this a festive and memorable experience for the class of 2024 but we need your help. This letter is an invitation for you to register your student for NIH and to join one of our committees to help make NIH a very special and safe night. We also invite you to make a parent donation to ensure the success of this year's activity.

The participation fee for each Senior to attend NIH is \$100. Registration form is below

(Please note: this is NOT the class dues/cap and gown fee - that is a separate fee).

Registration will begin today with this letter and ends Friday, March 9, 2024

Please submit the registration form with a check made out to Nite In Hand early! We strive for 100% participation. There are scholarships available for this event. Please contact Beth O'Keefe at elderok@hotmail.com or Sherry Farmer at smfarmer123@gmail.com for more information.

Nite In Hand cannot happen unless volunteers step up to make this event a reality. We need volunteers. **To view our volunteer opportunities use our Nite in Hand Sign-Up Genius at: [Nite in Hand Volunteers 2024](#)**

Finally, NIH counts on your support to make this night a magical reality! Direct contributions from parents are needed and greatly appreciated. Please support NIH by filling out the form below. In addition, if you have an employer or professional organization that would be willing to sponsor NIH, please remind them that their donation is tax deductible. NIH is a 501C (3) non-profit organization whose mission is to provide an alternative to the traditional teen partying that has often resulted in tragedy. Our main objective is to keep the graduates and the community safe.

Thank you for your support!
Beth O'Keefe and Sherry Farmer
