

Grade 11 & 12

Distance Learning Module 6: Week of: 5/11/2020-5/15/2020

Sinfonietta

Targeted Goals from Stage 1: Students continue to build their skills on their chosen instrument as well as their appreciation for music.

Content Knowledge: Evaluate and refine personal performance, individually or in collaboration with others (virtually)

Vocabulary: Articulations, Dynamics, Style, Character

Skills: Score reading, Music Analyzation, Practice Skills

Expectation: Students should spend at least 15-20 minutes playing their instruments. Although the students need to practice to build their skills on their instrument, practicing an instrument in between their work in their other classes, keeps the brain active, allowing for better absorption and understanding of new material.
