

French 2 - Unit 2 - Allons cuisiner! (Let's cook!)

Unit Focus

Hungry? Watching the clock for your lunch to start? Anyone ever binge watch Chopped or Cupcake Wars on Netflix? Want to scream like Gordon Ramsay? Now it's time to cook....the French way! Students will be introduced to authentic French cuisine, exploring how even French snack foods can incorporate all aspects of a healthy diet. Students will review food vocabulary with the new grammar topics of imperative (commands) and direct object pronouns within the context of cooking. The unit will culminate in a PBA where students will work collaboratively as a team and use video editing skills to create their own instructional cooking videos in French to compete to host their own cooking show on the Food Network. After viewing the videos in class, students will vote on the dish they would most like to taste one day.
