

Grade 8

Distance Learning Module 3: Week of: 4/13/2020-4/17/2020

Grade 8 Orchestra - Strings

Targeted Goals from Stage 1: Students continue to build their skills on their chosen instrument as well as their appreciation for music.

Content Knowledge: Note Reading, Rhythm Reading, Steady Tempo, Key Signature, Time Signature, Shifting, Multiple Endings, Articulations (staccato, slurs, accents, etc)

Vocabulary:

Skills: Practice concert repertoire for fluency, utilizing the content/concepts from the method book and concert repertoire.

Expectation: Students should spend at least 15-20 minutes playing their instruments. Although the students need to practice to build their skills on their instrument, practicing an instrument in between their work in their other classes, keeps the brain active, allowing for better absorption and understanding of new material.
