

We need your help!

Dear Parent of a Senior Student,

As we plan for the **32nd Annual Nite In Hand (NIH)** we are reaching out to parents of Seniors at Daniel Hand High School to gather support for this wonderful gift to our children and the Madison community that is Nite in Hand!

NIH takes place on graduation night, after the formal ceremony on Madison's town green. On that night, students arrive at the high school and enjoy a **safe night of entertainment, food, music, games and prizes**. The high school is transformed each year with a secret theme that creates a truly unforgettable experience. Students are chaperoned by parents and community volunteers, and are required to spend the night and leave collectively the following morning.

NIH is 501C (3) non-profit organization whose mission is to provide a **safe, substance-free** alternative to the traditional teen partying that has often resulted in tragedy. Our main objective is to keep the graduates and the community safe.

NIH counts on your support to make this night a magical reality!

Direct contributions from parents are needed and greatly appreciated to make NIH 2020 a success!

Please support this great event by filling out the form below. In addition, if you have an employer or professional organization that would be willing to sponsor Nite in Hand, please remind them that their donation is tax deductible!

Let's join together to give DHHS Class of 2020 graduating seniors a remarkable night of lasting memories!

Please don't hesitate to contact us with any questions you may have. Please visit the NIH Facebook page and the NIH Class of 2020 sign up genius for volunteering opportunities:
