

Grade 6

Distance Learning Module: Week of: June 8th -June 12th

Healthy Living Grade 6: *Making a Difference*

Targeted Goals from Stage 1: Desired Results

Content Knowledge: Teenagers are the next generation, and they will be controlling and running the world someday. Teenagers have an important role in society, and they can influence the positive development of the future society. By getting involved and caring about society's issues, teenagers can have a huge impact on making the world better.

Vocabulary: Teenagers, society, generation, future, impact, improvement, community, global, activist, solution, motivated

Skills: Recognize that teens can make a positive impact on the world and create solutions to some of the world's problems, reject being discouraged from achieving goals and dreams because of age or gender, Identify issues and causes that are of personal concern

Expectation:
