Nite In Hand Auction 2020  
Friday, April 24th  
6:30 pm, DHHS

Get ready for a fun-filled night with a Live and Silent Auction, plus Raffle to raise money to support Nite In Hand (NIH). This event provides the opportunity for senior students to auction their services to help support NIH in addition to the many items donated by DHHS parents and the Madison community.

We need items for silent and live auction plus raffle items, please consider donating a basket, sports or events tickets, original art or jewelry or anything else you can think of!

If you have a senior, ask them to provide a service - it will get lots of bids - guaranteed.
