Distance Learning Module 8: Week of: May 26th – May 29th

Grade 6 Physical Education - *Outdoor Activities Scavenger Hunt 2*

Name _____

Directions:

Play as either a small group against others in your family or as a big family team and see how many points you can earn by completing the different challenges.

Most of these activities can also be done **alone** with no competition or timing. Please complete the challenges by the end of the week, minimum 5 challenges. Check them off as you go and add up your points.

TIP: DO TWO OR THREE A DAY FOR 2 OR 3 DAYS

100 POINT CHALLENGES	COMPLETED?
Run around your house 6 times...take a break in between each run	
Long Jump-Lay out a tape measure and practice long jumping on grass. Be sure to get a running start/approach. Take off on one foot and land on two feet. Remember the pit at Brown School? The measurement is where the back of your foot lands.	
Flashback Field Day -Wheelbarrow Race. One team member holds the legs of the other, as if the handles of the wheelbarrow. The team member playing the barrow, runs on his/her hands. GREAT activity for cooperation and arm strength!	
At least 10 feet apart play catch with someone-30 catches in a row no drops Or throw a ball to yourself off a wall
