

## French 2 - Unit 1 - Qui suis-je au lycée?

### Unit Focus

What has high school done to me? What is my life like after 2 pm? Students will delve deeper into their daily lives not only at school, but their schedules and activities after classes and on weekends. In addition to review, this unit goes into emotions, descriptions, and needs when it comes to a week in the life of a new high school student. Clubs, sports, movies, groups of friends, professors, and where events take place will be discussed. Students will be able to describe their likes and dislikes in more specific detail. They will ultimately create their own digital calendar for the next month in French and then analyze and speak about other students' calendars and schedules in the World Language Lab.

Following the PBA, students will read their first short novel in the target language, *Nuits mystérieuses à Lyon*, about a boy who studies abroad in Lyon.
