How to Register

- Print out a copy of your completed form and Copy 1 and Copy 2 of the Transcript Release form. Sign both copies of the form and take them to the counseling office.

Transcript Accuracy is Vital!

- Once the clearinghouse receives a final transcript a revised transcript will NOT be used.
- All transcript changes after graduation must be handled through the initial-eligibility waiver process.

When Should Students Register?

- At the beginning of the junior year of high school.
 - This is because of the new Certification of Amateur Status process.
- Update your athletics participation section regularly.
- The clearinghouse will NOT process a transcript with less than 6 semesters presented.

When Will the Student Receive a Preliminary Report?

The Clearinghouse prioritizes incoming information as follows:

- Students who are being actively recruited by an institution and are on an institutional request list.
- Students with disabilities who are registered with NCAA disability services.
- Students who request a report.

How to Check Your Status

- Call the Clearinghouse
 - 877/262-1492
 - You will need your Social Security number and your Clearinghouse PIN.

Important Information About the PIN

- Students self-select a PIN when they register.
- Choose a PIN that is easy to remember.
- WRITE IT DOWN WHERE YOU WILL FIND IT WHEN YOU NEED IT!!!
- If that fails, contact the Clearinghouse to get a new PIN.

Accommodations for Students with Disabilities

- Eligible students:
 - Must take the SAT or ACT with accommodation
 - Talk with the building SSD Coordinator (Mr. Burns)
 - Must take courses specifically designed for students with disabilities
 - e.g. Special Education classes
 - File an initial-eligibility waiver on their own behalf
- See page 13 of the *Guide*

ATTENTION: All prospective student-athletes intending to enroll in an NCAA Division I or II institution for the first time on or after August 1, 2007 must complete the NCAA Amateurism Certification questionnaire.
(If you enrolled full time in a Division I or II institution prior to the Fall of 2007, you do not need to complete the amateurism questions.)

NOTE: Test scores must be reported directly from either ACT or SAT.

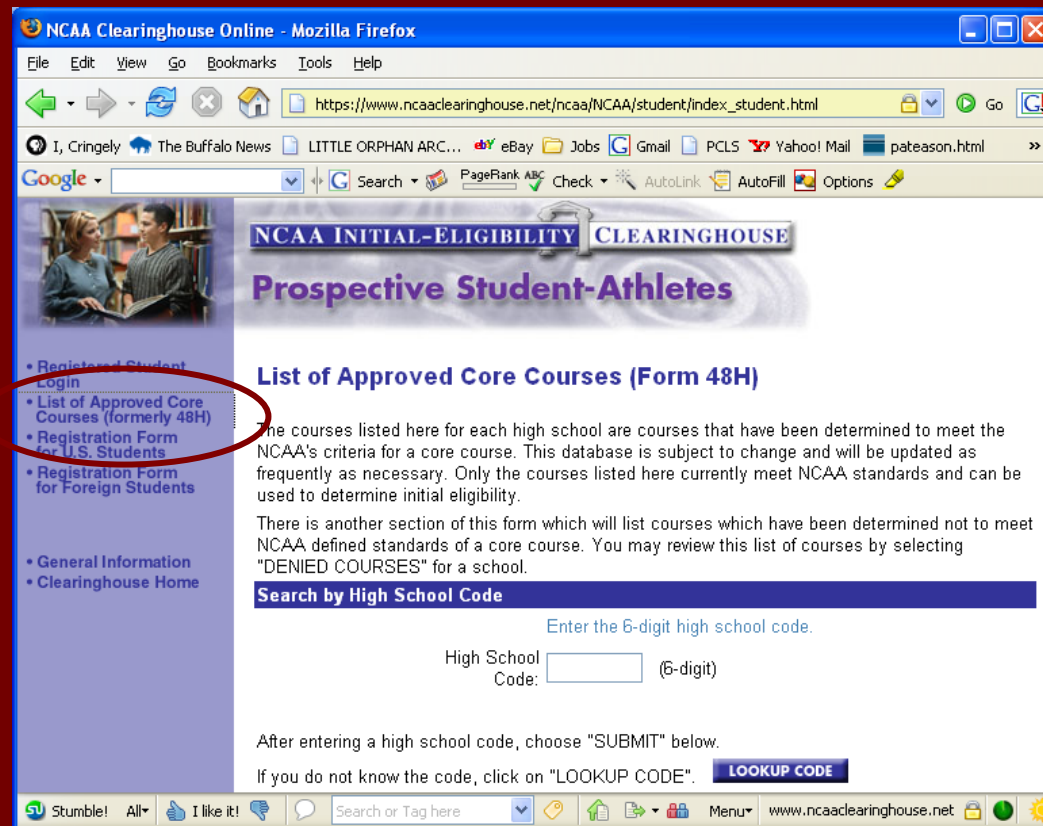

As a prospective student-athlete at a Division I or II institution, you have certain responsibilities to attend to before you may participate. Information concerning who needs to register with the Clearinghouse and what documents should be submitted can be found in [The Guide for College-Bound Student-Athletes](#) (see General Information Menu).

The courses listed here for each high school are courses that have been determined to meet NCAA's criteria for a core course. This database is subject to change and will be updated as frequently as necessary. Only the courses listed here currently meet NCAA standards and used to determine initial eligibility.

There is another section of this form which will list courses which have been determined not to meet NCAA defined standards of a core course. You may review this list of courses by selecting "DENIED COURSES" for a school.
